THE SEILING FAMILY

We have transitioned out of leading
the Honest Hands Ministry. Our new
role now is to give oversight to the
Honest Hands Ministry, the Working
Hands Ministry and operations on our
entire campus, which is named
2nd Mile Ministries.

Updates will now include all the
exciting things that God is doing on
our entire campus. We also share
challenges and try to be as real as
possible with you our partners in
God’s work here.

Please continue to pray for wisdom,
patience and creativity for Sarah as
she teaches. Please pray that the kids
will continue to build relationships
with kids from our community.

Please pray for our trip to Canada in
August. Pray for safety and patience as
we travel. We so appreciate your
partnership through prayers and
financial giving.

Greg Seiling
